Dear Parent,

What a joy it is that we are planning a Baptism. Here are some steps to consider:

- Please call and check to see if the date for the baptism works with the Pastor's Calendar for that Sunday during worship.
- Please have the baptismal information to Sarah Osmundson, the Parish Secretary by the Monday before the Baptismal date.
- Please read over the accompanying Baptismal service. You will be making Promises in how you will raise your child.

It is a gift to the Worshiping community when a child is baptized and a joy to welcome them into the family of God.

In Christ,

Pastor Bob Nagy
